If student is accepted by Michigan Meetings and Events Network, LLC to work as an intern at the "New Trends and Solutions" Expo and Educational Conference...

student agrees by signing below and understands that this is not a paid internship. Student understands that the he or she will work as an assistant and will be given a written confirmation of duties and services performed as validation.

Box lunch will be provided for students who work during the daytime expo and luncheon. Number of students to be positioned will be determined by number of vendors registered by September 1, 2009

I also fully understand that regardless of age, that I **cannot** attend or purchase tickets to the "Taste of Michigan" evening event. I may work the registration desk outside the main entrance and will be provided with complimentary food and will be able to hear the live entertainment from my post.
